

General Recovery Care

My name is Bridget Nicholson, and I am thrilled to be able to provide you with excellent, well rounded, in house trained post operative care.

I provide care during the daytime only. You will be responsible for securing a "nighttime" recovery care specialist apart from my services. I require booking a two day minimum for "full faces" but highly recommend a full three days. There is no minimum booking requirement for any other procedures.

A \$500.00 fee is required to secure your dates. Until the fee is received via Venmo or Zelle your dates are NOT guaranteed. The remaining balance is to be paid in full in CASH once all services are rendered immediately following our last shift together.

Rescheduling or canceling care within 72 hours of our agreed upon surgery date may result in up to 100% loss of your fee. If for any reason you need to make schedule changes please contact me immediately to avoid losing your fee. Please do not hesitate to reach out to me with any questions or concerns.

Your minimum cost for a "full face" two day recovery plan will be \$840 plus any additional add on services of your choosing. Please see add on options below.

Add-on Options (including but not limited to):

General recovery care-\$35/hr (12hr minimum)

General transportation-\$35/hr Wound Care-\$35/hr

Washing hair-\$35/hr

Rides to and accompaniment at post op appointments \$35/hr

Please note there is a one hour minimum for all add-on options. All add-on options are subject to a one time fee of \$25 and will be discussed at the time of booking. If you are paying for general recovery care then all add on options are included in your hourly rate.
